To find out more about these courses, please come along to one of our open evenings.

Milton Keynes College serves a rich, diverse and multicultural community, and has been providing high quality education and training for international students for over twenty years.

We offer six levels of English language. If you want to develop your English skills, our courses will meet your needs. To help you with your studies, regular assessments and tutorial support is provided by a team of dedicated staff who understand the needs of international students.

English for International Students

Entry Requirements:

No formal qualifications are necessary, but your level of English will be assessed prior to joining the course to ensure that you are placed on the correct level of study. To allow sufficient time for your application to be processed and for you to obtain a student visa, you are advised to send your application in at least eight weeks prior to the start of the course.

Course Content:

Courses take place on weekdays and are of a sufficient length for visa purposes. The courses are tailored to your individual language level and include speaking, listening, reading and writing. Each course includes general English and tutorial support, and can lead to the University of Cambridge English examinations.

Additional subjects include:

- IT
- numeracy
- English for the office
- life in the UK.

Assessment:

Internal and external assessment.

Next Steps:

Higher level English course, or vocational or academic courses.

Duration: 1 year

English for Speakers of Other Languages

ESOL Skills for Life qualifications were introduced in September 2004 and are nationally-recognised qualifications for students who speak English as a second language. Courses are intended for those who wish to live in Britain and/or intend to spend significant parts of their working life here. They include general English, together with the language skills needed for participating in social and cultural activities, and preparation for employment and further education opportunities. The courses are offered at six levels.

Entry Requirements:

No formal qualifications are necessary, but your level of English will be assessed prior to joining the course to ensure that you are placed on the correct course for your needs.

Course Content:

Courses include speaking and listening, and reading and writing. In addition, you will learn to apply your language skills in different contexts, including:

- business
- employment
- education
- social and cultural activities
- citizenship
- everyday life.

Assessment:
